Comments (related to Tommaso Sonno – all comments, no selection):

- Excellent TA.
- The teaching assistant is very helpful and I found the practice classes to be the most useful out of all lessons.
- Excellent teaching methodologies both for the classes and for the TA sessions. Excellent the theory sum-ups proposed by the TA Tommaso Sonno and very complete his explanations on how to do exercises: impeccable. Both Professor and Tommaso Sonno were available to clarifications and logistical changes in classes timings required by the class. I appreciated the willingness of the TA to add recap sessions before the exams.
- Lectures could have been used more efficiently. Learned better from TA sessions.
